

BIO: Tina Lee

Tina Lee was appointed to the Citizens' Water Advisory Committee (CWAC) in 2008 by Ward 1 Council Member Regina Romero. As an environmental consultant, she specialized in resolving regulatory compliance issues under the Clean Water Act, National Environmental Policy Act, and National Pollutant Discharge Elimination System program for public and private sector clients. As an aide to retired Ward 2 Council Member Carol W. West, Ms. Lee expanded her expertise in regional water resource related issues through involvement with CWAC, CWAC Finance and Conservation Subcommittees, Groundwater Users Advisory Committee, Storm Water Advisory Committee, and land use/growth policy meetings.
