**REPORT TO THE COMMUNITY ON CITY/COUNTY WATER/WASTEWATER STUDY:
A PUBLIC DIALOGUE SESSION ON WATER SUSTAINABILITY**

The City of Tucson and Pima County have completed a Draft Report for Phase 2 of the City/County Water and Wastewater Study. A meeting to deliver a “Report to the Community” has been scheduled to present and receive public comment on the recommendations from the Draft Phase 2 Report on **Monday, November 9th** from **6:00 – 8:00 p.m.** at the Randolph Golf Course Clubhouse, Copper Room, 600 S. Alvernon. A formal presentation will be made at 6:15 p.m. with a question and answer session to follow at 6:45 p.m.

The Draft Phase 2 Report makes recommendations about creating a sustainable water future and addresses such topics as comprehensive land use planning, water for the environment, uncertainties related to climate change and drought, acquiring new water supplies, maximizing local water resources, and water use efficiency.

The public comment period extends from November 9th to November 20th, 2009.

Below are ways in which the public can review and comment on the Draft Phase 2 Report:
