

Recommended Information to Review Prior to July 9, 2008
City/County Water and Wastewater Study Oversight Committee Meeting

The information for the potable and reclaimed systems is contained in Tucson Water's 2008 Update to Water Plan: 2000-2050, 2006 Update to the System Equity Fee, 2007 Reclaimed Water System Status Report, and the current City of Tucson Five Year Capital Improvement Program report. All are accessible on-line at Tucson Water's web site at the following URL: <http://www.tucsonaz.gov/water> or <http://www.tucsonaz.gov/budget>

The items should be reviewed in the numbered order suggested below.

POTABLE WATER INFRASTRUCTURE AND SYSTEM CONDITIONS:

2008 Update to Water Plan: 2000-2050

- 1) Section Five: Water Delivery Systems, pages 5-1 through 5-4
<http://www.tucsonaz.gov/water/docs/wp08-update.pdf>

2006 System Equity Fee Update

- 2) Appendix B: System Capacity Detail, pages 1 through 3
<http://www.tucsonaz.gov/water/docs/syseqfeestudy.pdf>

RECLAIMED WATER INFRASTRUCTURE AND SYSTEM CONDITIONS

2007 Reclaimed Water System Status Report

- 3) Section 4.2: Reclaimed Distribution System, pages 7 through 9
<http://www.tucsonaz.gov/water/docs/rwssr-07.pdf>

WASTEWATER INFRASTRUCTURE AND SYSTEM CONDITIONS

2006 Metropolitan Area Facility Plan

http://www.pima.gov/wwm/reports/fac_plan06_chapters.htm

- 1) Chapter 4 Conveyance System (pages 4-1 through 4-29)
- 2) Chapter 5 Treatment System (pages 5-1 through 5-41)
