

## **VOLUME 1: EXECUTIVE SUMMARY**

## **VOLUME 2: FINDINGS AND CONCLUSIONS**

### **Section 1: Description of Phase I Process and Public Participation**

### **Section 2: Response to Scope Questions**

#### **Chapter 1: Current State of Water, Wastewater and Reclaimed Water Systems**

- 1.1 Tucson Water Potable System
  - 1.1.1 Historical Context
  - 1.1.2 Overview of Tucson Water Potable Water System
  - 1.1.3 Potable Water System Conditions
  - 1.1.4 Financial Planning
- 1.2. Pima County Regional Wastewater Reclamation System
  - 1.2.1 History of the Wastewater System in Pima County
  - 1.2.2 Pima County Wastewater Institutional and Regulatory Framework
  - 1.2.3 Inventory of Pima County Regional Wastewater Reclamation Department
  - 1.2.4 New Wastewater Infrastructure
  - 1.2.5 Financial Planning
- 1.3 Tucson Water Reclaimed System
  - 1.3.1 System Overview
  - 1.3.2 Future Reclaimed Water System Needs

#### **Chapter 2: Water Resource Assessment**

- 2.1 Water and Wastewater Demands and Resources
  - 2.1.1 Tucson Active Management Area Water Budget
  - 2.1.2 Tucson Water
  - 2.1.3 Pima County Wastewater
- 2.2 Factors Effecting Water and Wastewater Demand and Resources
  - 2.2.1 Water Conservation
  - 2.2.2 Stormwater Recharge and Rainwater Harvesting Case Studies
  - 2.2.3 Climate Related Resource Uncertainties
- 2.3 Potential New Water Sources
  - 2.3.1 Tucson Water Service Area
  - 2.3.2 Central Arizona Project Service Area

#### **Chapter 3: Sustainable Water Population**

- 3.1 Water Resources Assessments for the Tucson AMA Municipal Sector
  - 3.1.1 Tucson AMA Municipal Sector Perspective
  - 3.1.2 Tucson Water 2050 Plan Update

- 3.1.3 Environmental Needs for Water
- 3.2 Three Variables Involved in Projecting a Sustainable Water Future
  - 3.2.1 Population Growth and Urban Form
  - 3.2.2 Trends in Per Capita Demand for Water and Wastewater
  - 3.2.3 Costs of Water and Wastewater Infrastructure Constraints

#### **Chapter 4: City/County Collaborative Efforts Update**

### **Section 3: Committee Themes, Values, and Concerns**

### **Section 4: Recommendations for Phase II**

- 4.1 Introduction
- 4.2 Topics for Phase II
- 4.3 Phase II Process and Timeline
- 4.4 Public Involvement

## **VOLUME 3: APPENDIX**

- 1. Meeting Transcripts
- 2. Summary of Public Comments
- 3. Summary of Sustainability Comments
- 4. List of Attendees
- 5. Information from other Utilities
- 6. List of References
